Resolution 0506-03

Whereas, the Associated Students of the University of Missouri was established in 1975 as a student advocacy group, and

Whereas, all four University of Missouri campus students are active in ASUM, and

Whereas ASUM has successfully served as the student voice in state government for the past 30 years, and

Whereas: the purpose of ASUM is to:

* Educate students about the political process, and
* Increase political awareness, concern, and participation among students, and
* Provide the public with information concerning student interests, and
* Channel student energy and interest in the governmental process; and

Whereas, ASUM has been instrumental in legislation that has benefited higher education in Missouri, university students in the state and University of Missouri students, and

Whereas, ASUM provides critical hands-on learning experiences for students interested in politics and prepared active citizens of our state and country

The University of Missouri recognizes the 30th Anniversary of the Associated Students of the University of Missouri.
