Resolution # 0506-07

Resolution Regarding the Graduate and Professional Student Fee for ASUM
(Associated Students of the University of Missouri)

Purpose: To request that there is a $0.50 decrease in student fees for ASUM making the proposed student fee $2.35/student/semester for the coming 2006-2007 school year.

Whereas, The Associated Students of the University of Missouri is a system organization that benefits from student fees on all four system campuses, and

Whereas, The Associated Students of the University of Missouri (ASUM) has been working to bring equality to the students of the University of Missouri – Columbia, concerning the percentage of fees they pay into the system organization in relation to their peers on the other system campuses, and

Whereas, The Associated Students of the University of Missouri, on the Columbia campus, believe they can successfully operate the regular duties of the organization on a student fee reduction.

Therefore, The Graduate Professional Council makes the following recommendations:

We recommend a permanent decrease of $0.50 per semester. We also recommend that there be no inflationary increase for this year, bringing the student fee to $2.35 per semester.
