

Resolution 1314-04

A Resolution Requesting the University to Investigate the Renovation or Replacement of University Village

WHEREAS on the morning of February 22, 2014, A walkway at the University Village apartment complex collapsed, and

WHEREAS Lieutenant Bruce Britt of Fire Station No. 1, a dedicated firefighter and twenty-three year veteran of the Columbia Fire Department, lost his life as a result of this collapse, and

WHEREAS University Village serves many graduate and professional students at the University of Missouri, and

WHEREAS it is critical that graduate and professional students have access to safe and affordable housing, and

WHEREAS the sacrifice of Lieutenant Britt should be honored through this assembly's dedication to pursuing safe and affordable housing for graduate and professional students,

THEREFORE, BE IT UNANIMOUSLY RESOLVED by a majority vote of the General Assembly here gathered, that the Graduate Professional Council formally requests administration of the University of Missouri to explore all possible means for renovating or replacing the University Village Apartment Complex.
