STUDENT DEBT RELIEF ACT WITH STATE REPRESENTATIVE KIP KENDRICK

[Columbia, Missouri] –The University of Missouri Graduate Professional Council (GPC), Missouri Students Association (MSA), the Associated Students of the University of Missouri (ASUM)–Mizzou chapter, and Tigers Advancing Political Participation (TAPP) will jointly host a press conference with State Representative Kip Kendrick on Monday, February 1, 2016 on the first floor of the MU Student Center at 10am to discuss the Student Debt Relief Act.

The Student Debt Relief Act will help hard working graduates who often struggle to make monthly payments by providing them the opportunity to consolidate student loans, reduce interest rates, extend the repayment period, and cap monthly payments to a reasonable portion of discretionary income.

Interested administrators, faculty, staff, students, citizens, and media are invited to attend to understand the problems addressed by and the provisions covered by the bill.
