            a. Mr. Howe: I don’t know why it is like that. I will speak with student life to know if it is a Student Life policy or GPC policy and see what can be done. If it is a GPC policy, I will bring it up to the general assembly.
b. Kristofferson Culmer: That was a policy started before my presidency. The general assembly wanted to reserve travel funding for necessary expenses such as airfare, hotel etc. and reimbursing for shuttles or mileage was too broad to assess.

2. Will we be considered for award even if I was funded by my department?
