      3. Campus farmers markets
      4. Clothing swaps (free event)
      5. Power plant tours
      6. Questions, Comments, and concerns
         a. Russian and German Dept. – are you asking us to increase the fee? – no. This fee started at $1.00
which was a reallocation of funds. 2013 it was voted to $1.06, now $1.12.

b. Amy is here to inform you of the fee!
c. PFP – is the vote whether or not to keep the fee?
   i. Ideally we were supposed to approve the fee and do we want to make this fee permanent or keep voting every 4 years (2nd may not be on the ballot)
   ii. This is a renewal vote essentially
d. Accounting – Why is the entire body being charged whether or not making it a fee for the individual user?
   i. The bike rental is only part of the $1.12 fee, not the whole fee.
   ii. The program was started in 2012 and the bike share is a collaborative program with other unions and wanted to support sustainability on campus
   iii. GEO – comment– the fee benefits everyone by reducing vehicle traffic on campus!

   d. Great Circle Gift Drive—Maggie Rotts

6. Questions
   a. None

7. Please sign up your department for a wishlist!!

e. Open educational resources
   i. Initiative started last week: offers free resources to courses.
   ii. Recognition opportunities are being worked on. If grads play a big part in this, the incentive program could include grad students in the future.
   iii. Contact info: follow up with Grace Atkins.
   iv. “Open”: sharable copywrite materials, restrictions are lifted. Materials less than $40 for the course.
   v. Perhaps there were people using this before, but not calling it OER.
   vi. Grant process: anywhere from $2000-$10,000. It’s an application process to incentivize the move to OER.
      1. These grant opportunities are only open to the faculty right now, but Grace believes it is an oversight to do so.
      2. In principle, Grad Student Instructors should be allowed to apply for the grant.
   vii. Is “effectiveness” a metric for studying this?
      1. Library recommends certain high-quality resources.
      2. Reporting back is part of the metric.
   viii. At Large: do you work with librarians on this for help with making course curriculum?
      1. Getting that information to Grad Instructors is super helpful. It’s an opportunity to work closely with a special interest librarian.
      2. Grace was open to that idea.

f. Group Funding Request—Mi-STEM Pumpkin Carving Event
   i. Emilia Asante+ Biological Sciences and Treasurer to Mi-STEM.
   ii. Goal is to bring students together from different departments
   iii. Starting with STEM for now because that was where it has started. Plan on STEMming out to other departments
   iv. Anyone in any graduate program is welcome, any department!
1. You may also bring your children along!

v. Requesting $250 to help fund events, and consistently hold the events (1 being the tie-dye event)

vi. Questions

1. PFP – are you asking for funding for the TieDye event or for events in general? – yes and for the pumpkin carving activity.

vii. Discussion

1. Theatre – The request is for?
   a. The $250 is a max, because the original restriction for STEM students.
   b. Group funding for all grad students is $600
   c. If your event is tied to a specific subset, it’s a max of $250

2. At-Large – Express concern on behavior on funding requests to resubmit

3. Russian and German – Is it possible to award them $100 instead of $250
   a. Motion to amend the $250 (actually $50) to $100 (geo sciences 2nd)
   b. Comments – theatre – Motion to amend, German and Russian studies withdraws and changes to $150 based off of theatre’s comments!
   c. Theatre – This is important for GPC to be fostering the growth of student orgs on campus!
   d. Physics and Astronomy – will there be a formal request form? – President – We generally can’t amend the request amount during the meeting because of the original request that was sent out for the GA meeting.

   i. At-large – larger concern, now were changing the event were funding and rewarding them for not being clear ahead of time and following procedures.
   ii. President – Historically, this body has in the past voted to award more than presenters have asked for.
iii. Public Affairs – Understand concern, but if it was reviewed in time they would have been informed beforehand.
   1. Treasurer – the amount of TBD is concerning, we need more specifics on supplies costs
iv. Russian and German – They applied for an event, and the event has passed and Given the importance of what they’re doing
v. Past-president – This is a reasonable amount! ($150)
vi. PFP – Everyone could bring their own t-shirt, current proposal is the $150.
vii. Vote to vote on the amendment to vote from $250 to $150
   1. 1 nay, 0 abstentions
viii. Vote on amending
   1. 7 nay, 3 abstentions
e. Past president – Amend to $250 and fully support this organization! – 2nd from treasurer
i. President – call to question – 1 abstention
ii. Vote to change requested amount from $150 to $250
   1. 34 ayes, 12 nays, 4 abstain (majority wins)
iii. Move to move to a vote on whether or not to grant Mi-STEM $250
   1. 2 nay, 0 abstain
iv. VOTE
   1. 3 nay, 6 abstain, motion passed

VIII. Old Business
IX. New Business
   a. Resolution 1718-03: Proposal to Unify Graduate Student Association (GSA) and Graduate Professional Council (GPC)
b. This is a vote on the blue-print of the merging of organizations, not a vote TO merge both organizations.

c. 1st meeting of the spring semester for both organizations
   i. Theatre – motion to forgo the reading, 2nd from ISLT
      1. 3 nay, 4 abstain
   ii. Mr. President
   iii. Past-President – served on both boards; in favor
   iv. Ms. Senff – Also in favor – No loss of services or funding from GSA current organization and structure/practices
   v. Discussion, comments, questions
      1. At-Large – wanted to bring up that as we have this debate, keep focused on the fact that this is a decision about the future and positioning grad students for the future. Shared governance model is behind the time – this is a step to the future!
      2. Theatre – Is this resolution amendable? – The who whereas clauses are amendable
      3. At-large English – If one or two of the assemblies didn’t vote on the blue-print: A suggested amendment could be resolved by both boards
      4. Comp. Science – This proposal has come up before, this isn’t something that spur of the moment was created. This is a big and heavy decision.
      5. PFP – Suggestion – motion to postpone this resolution and further discussion to next GA meeting. There is another town hall for more discussion. 2nd by comp science
         a. Discussion on motion
            i. President – this will cease discussion on this topic for tonight
            ii. Theatre – in the fact that we are thinking about what this will do for the future – everyone in this room – it is worth for a referendum for graduate and professional students
            iii. Call to question – comp science
            iv. Moving to a vote on this proposal
               1. 1 nay, 4 abstain
