

Resolution No. 1819-18
A Resolution to Amend the Data Analyst Payment Schedule

BE IT ENACTED BY THE GENERAL ASSEMBLY HERE GATHERED THAT:

- WHEREAS,** The Graduate Professional Council (GPC) Data Analyst plays a vital role in GPC's commitment to make informed decisions on policy and programming; and
- WHEREAS,** In the Fall of 2019, GPC will be conducting its third, and now biennial, Graduate Happiness and Well-Being Survey; and
- WHEREAS,** It will never be too early to start planning for this large survey; and
- WHEREAS,** The GPC Bylaws currently put an unnecessary limit on how early the Data Analyst can start working on this survey, and other related tasks as mentioned in the Bylaws; and
- WHEREAS,** This unnecessary limit is based solely on the payment schedule of the Data Analyst; therefore be it
- RESOLVED,** By two-thirds vote of the General Assembly here gathered that the Graduate Professional Council does amend its Bylaws to reflect the changes in Appendix I below; and be it further
- RESOLVED,** That the intent of these changes is to bring the Data Analyst pay structure in line with the pay structure for Executive Officer Honoraria, and so these monthly installments to the Data Analyst would begin in July alongside the Honoraria payments for the Executive Officers, and all payments would cease at the same time; and be it further
- RESOLVED,** That upon the passing of this Resolution, the GPC Executive Board will open the application portal for those interested in serving as the GPC Data Analyst from July 1, 2019, to May 30, 2020.

SUBMITTED,

Al Willsey, GPC President
