HEAR WHAT LINDSEY'S NOMINATOR HAD TO SAY:

Lindsey goes above and beyond in her school work and outside her school work. She cares deeply about the relationships she has and is organized to the dime.

Lindsey always takes initiative in projects and volunteers to do the work to keep everyone organized and aware of all of the moving parts. She is also still highly involved with the students she used to teach at Battle High School, giving them rides and supporting them in anyway they need.
